AngelVision Technologies

Client Testimonials

The Impact Movie Marketing and Advertising Program
has achieved some remarkable accomplishments for our Clients.
We hope to add you among them.

... ENGAGING ...

Erdman Automation

“The folks at Angel Vision go far beyond regular customer service at no additional charge.”

Jolene Salgren
Director of Marketing
Erdman Automation Corporation

Product / Service: High quality components for window and door manufacturers
Target Audience: Window and Door Manufacturers
Objective of Movie: Introduce new products to the window and door industry
Desired Action: Book appointment for salesperson
Primary Uses: Partners, Sales Visits, Emails, Telemarketing, Website

... INFORMATIVE ...

Check Point Software

“The value of the end product that I received, after purchasing a basic Impact Movie, was worth more like \$18,000. I’m afraid that you are pricing yourself out of business.”

Ed Reese
Media Producer
Check Point Software

Product / Service: Secure, web-based connections to company server
Target Audience: Companies with remote locations or executives who travel frequently
Objective of Movie: Introduce Connectra product for secure access to company server from remote locations
Desired Action: Contact email address for more information and ability to forward movie
Primary Uses: Website, Emails, Distributors, Field Sales, Partners

... INSPIRING ...

Heartbeat International

“I showed the movie to our customers and our board and they were very impressed.”

Wil Mick
President
Heartbeat International

Product / Service: Pacemakers for the needy in foreign countries
Target Audience: Potential donor corporations and individuals
Objective of Movie: To attract new donations of pacemakers and/or contributions
Desired Action: Asking for donations and providing further info
Primary Uses: Email introductions, Website, Partners

AngelVision Technologies

AngelVision Technologies

Client Testimonials

... EFFECTIVE ...

AFLAC

“We get replies from people who otherwise would not give us the time to discuss AFLAC’s benefits. We are able to get our message out to hundreds of our prospects within minutes, and have had large companies email us right back. It’s the most effective sales tool we’ve ever used. We love our Impact Movie.”

Bill McPhee
Regional Sales Manager
AFLAC

Product / Service: Supplemental Insurance
Target Audience: Human Resource Managers
Objective of Movie: Introduce AFLAC’s products
Desired Action: Receive cute AFLAC duck with in-house appointment
Primary Uses: Telemarketing, Emails, Customer Visits

... EDUCATIONAL ...

RBC Product Development

“The movie is working great for us! We are very pleased with the results.”

Carl Mayer
CEO
RBC Product Development

Product / Service: Product Research & Development
Target Audience: Product Manufacturers of all kinds
Objective of Movie: To explain their expertise in helping to create/launch new products
Desired Action: Link to website for more information
Primary Uses: Emails, Website, Telemarketing, Banner Advertising

... VISIBLE ...

Flynn Systems Corporation

“We are a small company that sells test generation software to the programmable device market. To generate sales, we have two Google Ad words that play our Impact Movie. That’s basically all we do for sales and we made 28 sales last year as a result. I don’t know where we would be without AngelVision.”

Hank Flynn
President
Flynn Systems Corporation

Product / Service: High-end Simulation Software for Semiconductors
Target Audience: Test Engineers and Design Engineers
Objective of Movie: Introduce new technology now available in the marketplace
Desired Action: Request license for 30-day trial
Primary Uses: Banner Advertising, Website

AngelVision Technologies

Client Testimonials

... SMART ...

CreationPoint Technologies

“We sell software to commercial clients. The “sale” requires a lengthy story involving an explanation, but people are less prone to spend the necessary time listening to us on the phone. Our Impact Movie is a great way to get an engineer or a VP to hear the benefits of our CMS [content management system] technology as well as our network monitoring software. It’s one of the most effective sales tools I’ve used.”

Harout Topsacalian
Co-Founder and Executive Vice President
CreationPoint Systems Corporation

Product / Service: Source Code (IP) for Content Management System (CMS)
Target Audience: Companies who develop large scale websites
Objective of Movie: Sell Intellectual Property (IP) that adds CMS capabilities into corporate websites
Desired Action: Custom Quote
Primary Uses: Partners, Sales Visits, Emails, Telemarketing, Website

... PROVEN ...

Nevin, Works and Associates

“We’ve received great feedback on the impact movie. We thought we had a good product and now we’re getting the validation.”

John Nicklo
VP of Marketing
Nevin, Works and Associates

Product / Service: Backend financial infrastructure services
Target Audience: Senior Management of insurance companies
Objective of Movie: Introduce services to book in-house presentation
Desired Action: Form and website links for more information
Primary Uses: Partners, Sales Visits, Emails, Telemarketing, Website, Trade Shows

... AFFORDABLE ...

International Tube

“We love AngelVision and our Impact Movie. We tell everyone we know about you.”

Lance Heft
President
International Tube

Product / Service: Specialty Metal Tubing
Target Audience: Engineering / Manufacturing Companies
Objective of Movie: Introduce their quality products and service
Desired Action: Call / email for needs analysis – link to website
Primary Uses: Emails, Website, Trade Shows, One-on-One Presentations

Client Testimonials

... RESULTS ...

Jet Delivery

“You don’t charge enough! In the first week alone, we closed five sales and we’re barely using it. Our prospects pass our movie on to others at their company so we’re able to get our message in front of more people who need our service. Our salespeople are delighted at how easy it makes the sales process and we hear lots of positive comments from our customers as well.”

Brian Barbata
Sales Director
Jet Delivery, Inc.

Product / Service: Nationwide same day shipping
Target Audience: Shipping Managers, Transportation Directors, Operations Managers
Objective of Movie: Introduce services, penetrate existing client base
Desired Action: Get next shipping order, schedule appointment with salesperson
Primary Uses: Telemarketing, Emails, Website

... PERSUASIVE ...

Midwest Industrial Supply Inc.

“We are very happy with our Impact Movie. Right now, it features our Winter products so we are considering getting another movie to feature our Summer line as well.”

Julie Mamula
Marketing Manager
Midwest Industrial

Product / Service: Anti-Icing Agent and Lubricant for Railroad Switches
Target Audience: Railway Transit Companies
Objective of Movie: To inform potential clients of specialty products
Desired Action: Contact number and website for more information
Primary Uses: Email introductions, Website, Trade Shows, Video Tape, Distributors

... MOTIVATING ...

EB Berger, Inc.

“All the feedback we’ve had on our Impact Movie has been very good. We’ve had it for three years and it still gets us leads.”

Gary Poindexter
Vice President of Engineering
EB Berger, Inc.

Product / Service: Specialty Building Applications – Interior & Exterior
Target Audience: Industrial / Commercial / Residential builders
Objective of Movie: Present their specialty services/products to the building industry
Desired Action: Linked directly on website - contact number and website for more information
Primary Uses: Website, Emails, In-house Sales Visits

Client Testimonials

... BENEFICIAL ...

Portland State University

“It works. The movie has driven potential clients to pick up a phone and call. We get several calls per week about our training services from people who have visited our web site and viewed our Impact Movie. I attach a link to the movie on every email and am finding that people forward the link to others. This unexpected benefit has resulted in even more people contacting us. Our goal of increasing exposure to the general public has been met several times over.”

Francis C. Bates
Contract Program Manager
Portland State University

Product / Service: Corporate In-house Training
Target Audience: Corporate Management
Objective of Movie: Introduce Portland State University's custom training programs to Northwest companies
Desired Action: Free needs analysis
Primary Uses: Telemarketing, Emails, Sales Visits, Website

... CONSISTENT ...

Infrared Solutions, Inc.

“Our impact movie is an excellent tool for describing both what our company can do and the benefits for our prospective buyers.”

Rick Gmitro
Sales Executive
Infrared Solutions, Inc.

Product/Services: Infrared Cameras for Plant Maintenance
Target Audience: Plant Engineers, Director of Plant Maintenance, Vice President of Operations
Objective of Movie: Introduce latest line of infrared cameras and associated technology
Desired Action: Form and website links for more information
Primary Uses: Emails, Telemarketing, Website, Sales Visits, Trade Shows

... PENETRATING ...

Mekorma Technologies

“Our check-writing software is sold mostly by Great Plains distributors and consultants. Our problem has always been that they don't understand our software well enough to sell it effectively. With our Impact Movie, now all they need to do is email the movie to their customers and the orders come in. It's THAT easy!”

Sheila S. Barden
VP Marketing
Mekorma Software

Product / Service: MICR Check Writing Software
Target Audience: Microsoft Great Plains Distributors
Objective of Movie: Assist distributors and resellers in selling to end-users
Desired Action: Download 30-day trial version
Primary Uses: Trade Shows, Telemarketing, Emails, Website, Distributors

AngelVision Technologies
Portland, Oregon

Client Testimonials

... VERSATILE ...

Moneris Solutions

"We are using our movie in conjunction with email. People see it and they love it. It's doing exactly what we wanted it to."

David Brown
Owner
Moneris Solutions

Product / Service: Ball caps with Customized Logos
Target Audience: Golf Courses / Small Business Owners/ Corporate Events
Objective of Movie: Inform businesses of their superior products
Desired Action: Free ball caps with your logo for completing interest form email
Primary Uses: Emails, Website, Banner Advertising

... COMPREHENSIVE ...

Dayton T. Brown, Inc.

"We use our Impact Movie all the time. We send it out in all our emails and also use it at trade shows as a display on a continuous loop. We are very pleased with it."

Ken Trelewicz
Department Manager, Engineering Sales
Dayton T. Brown, Inc.

Product / Service: Product Engineering and Testing
Target Audience: Companies creating new products
Objective of Movie: To inform prospects of their comprehensive design and testing services for products
Desired Action: Call for more info or visit website
Primary Uses: Emails, Trade Shows, Website

... EFFICIENT ...

PSU: Professional Development Center

"I attach a link to the movie on every email that I send out and it is referenced in all other official office correspondence. The movie continues to receive positive comments, and more importantly, has been a catalyst in influencing decision makers to buy training from the Professional Development Center. It is a clear and concise way to communicate our training philosophy. It has been a very valuable tool in our marketing efforts."

Francis C. Bates
Contract Program Manager
Portland State University

Product / Service: Corporate In-house Training
Target Audience: Corporate Management
Objective of Movie: Introduce Portland State University's custom training programs to Northwest companies
Desired Action: Free needs analysis
Primary Uses: Telemarketing, Emails, Sales Visits, Website

Client Testimonials

... COMPELLING ...

Fitch Ratings

“We have already made several sales in a short period as a result of having an Impact Movie and have more than covered the cost of the movie. It has worked really well and is a great tool for generating publicity. We use it at trade shows and find that it adds a real buzz to our booth.”

Gregg Novek
Managing Director
Fitch Ratings

Product / Service: A web-based research & ratings platform
Target Audience: Global Financial Institutions
Objective of Movie: To attract new global financial clients and inform of services
Desired Action: Email form to contact for more information
Primary Uses: Emails, Trade Shows, Analyst Conference Calls

... POWERFUL ...

Segway Communications

“As a start-up, we need to stretch our capital as far as possible. We offer an important service for small companies, but it's hard to get companies to even listen to our message. We like our Impact Movie because it delivers a strong message that gets watched.”

Mark Gordon
President
Segway Communications

Product / Service: TCM (Advanced Voice-Messaging)
Target Audience: Small Business Owners
Objective of Movie: Show why TCM is critical to business needs
Desired Action: Download free white paper
Primary Uses: Emails, Telemarketing, Website, Trade Shows

... INFORMATIVE ...

Labarre Machine Tool

“We offer a wide variety of machine-tooling services, but our customers only know us for a fraction of our capabilities. We use our Impact Movie to show our existing customers that we can do a lot more than they know. In all my years, I've never seen a sales tool that has so many uses or gets our message across stronger than our Impact Movie.”

Gary Landers
President
Labarre Machine Works

Product / Service: Custom Metal Tooling
Target Audience: Two largest customers
Objective of Movie: These two customers account for 90% of sales.
Movie shows that Labarre provides far more services than these customers know.
Desired Action: Free wall clock or desk clock. Free shipping on next order.
Primary Uses: Telemarketing, Emails, Partners

Client Testimonials

...NON-INTRUSIVE...

Phantom Enterprises

“We have our Impact Movie on CDs, VHS, DVDs, use on our website and in malls on 13” kiosks – it’s phenomenal. We get great feedback from people. More importantly, when our movie was 90% finished, we saw the draft and didn’t like it at all. To AngelVision’s credit, they handled our feedback like true champions and completely revised the movie without a complaint and produced a great product.”

Brad Owings
Vice President
Phantom Enterprises

Product / Service: Knork Flatware – high quality combination knife / fork
Target Audience: Food & Beverage companies
Objective of Movie: Introduce their innovative, new product
Desired Action: Order online
Primary Uses: Emails, Telemarketing, Website, Trade Shows

...IMPRESSIVE...

ISG International

“Thanks so much for all of your efforts; we couldn’t be more pleased with the final product! We have many ideas to start using it immediately.”

Stephanie West
Marketing Manager
ISG International

Product / Service: Insurance and Financial products
Target Audience: Corporations and individuals
Objective of Movie: To attract new customers through superior service and products
Desired Action: Fill out email form for free needs assessment
Primary Uses: Email introductions, Website, Telemarketing

Client Testimonials

... EFFECTIVE ...

Numeric Computer Systems

“Not sure how you could improve on the process since AngelVision talks to many companies in so many industries. You guys were great to work with from the very start. Mike J during the "Coffee with Angelvision" demo to DJ to Jen. I liked the fact that I had a clear "go to" person during each step of the process. I also know there were a number of people behind the scenes to pull it all together. Thank them too! You should be proud of your employees. They have been professional yet relaxed and fun to work with.”

Paul J Winkler
Director of Marketing
NCS - Numeric Computer Systems

Product / Service: Software for supply chain management of consumer goods
Target Audience: Companies selling products on high volume direct to consumers
Objective of Movie: Description of software and services
Desired Action: Fill out form and submit for person to follow up or email movie

Client Testimonials

... PERSONAL ...

Chentronics

“Thanks for your kind comments regarding the Impact Movie on our website. We are very pleased with the results and with Angel Vision (the producer). They worked closely with our Sales Manager Dave Moore for content; I am very impressed with their ability to translate the message so effectively for our "niche" product. -The entire project took three months, and was on schedule and on budget. Please see the attached VCard for Mike Jingoian, President and CEO of Angel Vision. I highly recommend Mike and his team.”

John Killean
President
Chentronics
